Safe Schools and Students

Keeping schools safe is everyone's responsibility. To help, FCPS has a School Security Coordinator, each school has at least one on-staff school counselor, and there are school psychologists assigned to every school. A School Resource Officer (SRO) Program places a deputy sheriff in each high school to assist in maintaining a safe environment. The deputies also respond to needs in the corresponding middle and elementary feeder schools. In addition to their role as law enforcement officers, SROs serve as instructors on crime prevention and law-related topics and as mentors and positive role models.

The Frederick community also offers resources to help students in need and keep our schools safe. If you need help or have a concern to discuss, there is always someone to listen. Keep these numbers handy:

- ★ Safe Schools Tip Hotline, 1-877-636-6332
