## SCHOOL SUPPLY LIST 2009 – 2010

Listed below are supplies that your child will use during the school year in the instructional program at each grade level. It is particularly helpful for our younger students if items could be labeled with their names prior to bringing them to school. We appreciate your support in providing these materials for your child, however, if you are unable to purchase any of these supplies, please contact a staff member at the school and we will be happy to provide the items for your child.
