

**Coaching
Interscholastic Athletics
In
Frederick County Public Schools**

All Frederick County Public Schools (FCPS) teachers can apply for interscholastic athletic coaching positions. "Activity Compensation" for these positions ranges from \$1,501 to \$4,291.

FCPS includes nine high schools ranging in size from approximately 800 to 2,000 students. The total enrollment for the school system is nearly 40,000 students. The high school athletics program consists of twenty-three varsity, eleven junior varsity, and three ninth grade teams per school competing in fifteen sports, in addition to cheerleading. FCPS employs over 400 coaches to supervise and teach the nearly 7,500 students who participate in the athletics program.

Preferred Qualifications:

- ✓ Presents a positive role model for students
- ✓ Demonstrates evidence of management, organizational, and administrative skills
- ✓ Demonstrates ability to work with administration, staff, and community
- ✓ Demonstrated experience as a player or coach

If you have an interest in learning more about coaching in FCPS and specific vacancies for 2009-10, please contact Lynn Carr, Supervisor of Athletics at 301.696.6845 or lynn.carr@fcps.org or complete the information below. Send via courier mail to the Church Street office. Visit our website at www.fcps.org for more information.
